## **Soul Keeping: Caring For the Most Important Part of You**

**By John Ortberg**

“The soul is NOT ‘a theological and abstract subject.’ The soul is... the most mysterious, sacred, eternal, life-directing dimension of your existence. Jesus said it’s worth more than the world.” Bestselling author John Ortberg writes another classic that will help you discover your soul and take your relationship with God to the next level.

Our soul is like a stream of water, which gives strength, direction, and harmony to every other area of our life. When that stream is as it should be, we are constantly refreshed and exuberant in all we do, because our soul itself is then profusely rooted in the vastness of God and his kingdom, including nature; and all else within us is enlivened and directed by that stream. Therefore we are in harmony with God, reality, and the rest of human nature and nature at large.  
Dallas Willard

Jesus calls us to a deep life...a well-cared-for soul has the capacity to empathize and understand profoundly, to ask questions and not simply go through the motions or faith. It has access to the kind of peace, gratitude, freedom and blessing that comes from a heavenly well-spring.”
