YOUTH TO LIVE OUT THEIR FAITH...
SHARING THE GOOD NEWS OF CHRIST

For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands, for God gave us a spirit not of fear but of power and love and self-control.

WHAT DOES THE WORD 'GLORY' MEAN IN GREEK?

doxa- glory.

The honour, praise, and glory that comes from a good opinion. It's an appearance commanding respect, excellence, and magnificence. This term is used to describe God's nature and actions in self-manifestation.

DOXA

Every Sunday, we gather together and worship God.

We have the opportunity to lead this worship with our own hands and our own voices. After we sing, we divide into age groups (grades 6-8, grades 9-12) to have a more focused setting to learn about God and grow closer to Him.

When: Every Sunday at 11:15am -excluding the fourth Sunday of every month. On this Sunday the youth actively participate in the service for an intergenerational worship time as well as opportunities to serve.

Where: Cameron Hall & the Youth Zone
